May 14, 2021 Update

- Current CDC guidelines state that fully vaccinated people no longer need to wear a mask or social distance in any setting, except where required by federal, state, or local rules and regulations.
- The states of Illinois and Iowa, as well as individual communities, may have different guidelines in place. The Quad Cities Corporate Games will follow local guidelines for events in each community.
- Indoor Events – Unvaccinated attendees are encouraged to wear masks at all times, except for when participating, eating, or drinking.
- Outdoor Events – Unvaccinated attendees are encouraged to wear masks when not participating and unable to social distance
- Participants should bring their own water and water bottles to events. Shared water jugs will not be provided, and facilities may not have water fountains available for use.
- Attendees should visit this document and check specific event rules before each event, as regulations may change on short notice.
